Supporting our Rural Schools

Hello Everyone,

I hope you don't mind me contacting you this way. I am looking for a favour!

Shawhead School has been shortlisted for a UK wide competition to win £2000 worth of cookery equipment! We are one of two schools from Scotland in a shortlist of 10 altogether. We are by far and away the smallest school, (some of the other schools have 400 pupils and we have 33!) so we need all the help we can get in terms of votes! We hope to get a set of Baby Bellings that we would be happy to share!

I would be really grateful if you could share the voting link with staff, pupils and parents to help us get more votes.
